## LIVING CHRISTMAS TREES

Are becoming more popular every year. Get one this year and at the same time you will be getting a nice specimen tree for the lawn. Keep well watered whether in the house or on the porch. Our living trees carry the following guarantee: Trees costing up to \$6.00 will be planted after Christmas for \$2.00; \$7.00 to \$9.00 will be for \$3.00; \$10.00 up will be planted for \$4.00. If trees that are left out doors (during holidays) do not grow, they will be replaced at half the original price. If trees are not planted by us, guarantee is void. Trees that have been used in the house will not be guaranteed.
